

Cambridge Undergraduate Quantitative Methods

UK Data Service

## Presentation by the UK Data Service

The UK Data Service provides high quality social and economic data to researchers, students, teachers and policymakers. They deliver a single point of access to a wide range of secondary data including large-scale government surveys, international macrodata, business microdata, qualitative studies and census data from 1971 to 2011.

The UK Data Service will be visiting the University of Cambridge on **Wednesday 29th April** to provide students with an introduction to the service and information on how to access the data. The presentation will include:

- ◆ Introduction to the UK Data Service
- ◆ Talk about secondary analysis
- ◆ A look at their key resources
- ◆ Live demonstrations of their online tools and search facilities
- ◆ The presentation will be followed by a Q& A session

**The presentation will be invaluable to those students who intend to do a quantitative or qualitative dissertation in their third year, or those who are thinking of continuing their studies after their degree.**

**Date:** Wednesday 29th April

**Time:** 2pm—3:30pm

**Location:** Seminar Room, Dept. of Sociology, Old Cavendish Building, Free School Lane

If you wish to attend, please email Casey Mein on **cm575@cam.ac.uk** to book a place
